BEER THAT IS STILL BEING BREWED ACCORDING
ORIGINAL BREWERS RECIPES

LĀČPLĒSIS EKSTRA

Alc. Volume - 5.4%

0.548L can

Premium beer brewed from pure barley malt and noble Spalter Select aroma and Brewer's Gold bitter hops. Distinguished by a color of pure gold, a strong foam head and rich aroma and flavor. We would not be lying if we called it the pride of our brewery. In 2014 was awarded the Superior Taste title by the International Quality Institute in Brussels.

LĀČPLĒSIS IZTURĒTS

Alc. Volume - 5.6%

0.548L can

Caramel malt „CaraAmber” awards this beer with rich golden color and light sweetness, while the mix of aromatic hops „El Dorado”, „Brewer's Gold” and „Select” grants the exclusive aroma. Instead of usual for lagers two weeks maturation, Lāčplēsis Izturēts is given four. Additional maturation turns this beer to incredibly rich and unforgettable smooth taste experience.

LĀČPLĒSIS GAIŠAIS

non-alco

0.5L can

Authentic light beer taste and a balanced malt and hop aroma, characterized by a clear gold colour, while containing 0% alcohol. A special brewing technique, using a balanced blend of barley malt and bitter Magnum hops, allows us to create a beer fit for every occasion.

LĀČPLĒSIS GAIŠAIS

Alc. Volume - 5.0%

0.548L can

Thanks to it's balanced flavor, golden color and delightfully light aroma, Lāčplēsis Gaišais can take pride in being our most popular beer. Brewed using bitter Magnum hops and barley malt.

LĀČPLĒSIS DZINTARA

Alc. Volume - 4.8%

0.548L can

There is nothing the glimmering amber color of this beer could be mistaken for - obtained through the use of caramel malt. Characterized by a light yet distinct flavor and aroma - small wonder this is one our most popular beer. In 2014 gained the recognition of international beer experts at the World Beer Cup in the USA, bringing home bronze, as well as taking gold at prestigious European Beer Star. Brewed using barley malt and dual use Perle and bitter Magnum hops.

LĀČPLĒSIS DIŽALUS

Alc. Volume - 7.3%

0.5L can

It is Lāčplēsis Dižalus that can proudly call itself our strongest beer. However, a carefully selected malt body combined with bitter Magnum hops allows us to create a balanced taste and aroma. That is why this beer is still refreshing and easy to drink.

STABURAGS WHITE EER

Alc. Volume - 4.9%

0.5L can

The Staburags white beer drink is intricately produced using wheat beer, brewed in accordance with traditional recipes, and other ingredients of utmost quality. It opalesces with smoky golden shades, and its flavor is special for the tempting scents of peach and citrus fruits. The fruity sweetness in the soft taste of this drink is balanced by a slight touch of bitterness, turning this drink into a true elixir of freshness and enjoyment. Like the first gale of spring along the riverbanks of Daugava, it reminds us of the unique treasures of our nature, including the memorable Staburags Cliff.
